TWO COMPANIES. ONE PROMISE.

We here at Benson Laundry would like to work for you. You are the boss. We do not require a contract because we do business with a handshake. We do not have any unexplained charges and do not have a regular price increase written in any contract. You can rest assured that if we're not doing a good job, you do not have to give us written notice and any period of time to correct it - we will correct it immediately. We want to be your employee.
